Do you want a job in Europe?  
Do you have the right language skills?

When it comes to getting a job you need to stand out from the crowd; you need to show off your skills and qualifications, you need to promote yourself!

The Europass Language Passport is the perfect way to promote your language skills, qualifications and experience to employers.

Find out more at [www.europass.org.uk/lp](http://www.europass.org.uk/lp) or download the iPhone App from the App Store.
