

Navigate your way to
a successful career
in Europe

Mobility flyer front A5

Do you have the skills?
Could you work in Europe?

Listing your skills and
competencies is all well and
good, but can you prove you
have these skills? Can you verify
the skills you list in your CV?

The Europass Mobility
Supplement is the best
way to verify your training
experiences and the skills
you have developed.

It is the best way to show
employers evidence of the
experiences you mention
in your CV.
